Amendment to the Record of Decision

Tariff Application by the National Ports Authority for the Tariff Years 2026/27 – 2028/29

The Record of Decision published on 01 December 2025 that sets out the Ports Regulator's decision pertaining to the National Ports Authority's 2026/27 Tariff Application is hereby amended with respect to paragraph 1.2 as follows:

> *After reviewing the Application, stakeholder submissions, presentations in the public consultation process, and the updated inflation as per the Medium-Term Budget Policy Statement (MTBPS, November 2025), the Regulator applied the Tariff Methodology and Tariff Strategy to the Application and determined that an appropriate Revenue Requirement for the Authority to be R17 430 million (inclusive of ETIMC of R800 million), which translates to an overall weighted average tariff increase for the Financial Year (FY) 2026/27 of 7.67%.*
